## REPORTS OF COUNTY CONVENTION

Merrimack County Courthouse  
Concord, New Hampshire  
January 2, 1970

The Merrimack County Executive Committee Meeting was called to order at 10:00 a.m., by Chairman Reddy. Present were Reddy, Cheney, Greeley, Gilman, Fuller and Sherman.

Minutes of the last meeting, October 20, 1969, were read and approved.

Rep. Fuller moved and Rep. Gilman seconded that, it being anticipated that at least Seven Hundred Seventy-Five Thousand Dollars (\$775,000.00) will be needed during the fiscal year ending December 31, 1970 to meet the demands upon the County Treasury which there is insufficient money to meet, the Treasurer is hereby authorized to borrow not exceeding Seven Hundred Seventy-Five Thousand Dollars (\$775,000.00) in anticipation of taxes as such funds are needed during said year upon order of the county commissioners pursuant to R.S.A. 29.8. Motion carried unanimously.

Rep. Sherman moved and Rep. Greeley seconded that, the Treasurer be authorized to borrow all of the tax anticipation moneys authorized in one lump sum and to reinvest the same to the best advantage of the County and according to Law. Motion carried unanimously.

Rep. Greeley moved adjournment and Rep. Gilman seconded. The meeting adjourned 10:40 a.m.

Respectfully submitted,  
Rep. Charles Cheney  
Acting Clerk

Concord, New Hampshire  
April 28, 1970

The Merrimack County Executive Committee met at 10:00 a.m. to discuss the proposed budget for the County Hospital, Home, Farm, House of Correction and Jail. Present were Chairman Reddy, Fuller, Robinson, Cheney, Chase, Greeley, Commissioner Morgan and Supt. Lethbridge.

The proposed budget, submitted in writing, was accompanied by a written explanation of certain notated items. It was discussed in detail. The lower amount of \$420,068. to be raised by taxes this year was noted.

Mention was made of the higher rate of \$12.00 a day which the state will pay for welfare cases. (The rate was formerly \$8.50.) This will also be charged for the eleven private patients.

The feasibility of continuing the apple orchard was discussed with Supt. Lethbridge commenting that the University of New Hampshire study recommends discontinuing it. It would appear cheaper to transport prisoners to pick at some other orchard for a \$1.00 or \$1.50 a bushel.

Salaries and raises were considered at length. A new house for the Supt. was discussed with Rep. Chase noting she wished to pursue this further at the next meeting of the executive committee.

The meeting adjourned at 12 noon with no action taken. The next meeting will be held at the Courthouse at 10:00 a.m., Wednesday, May 6, 1970.

Respectfully submitted,  
Rep. Lila Chase, Clerk

Merrimack County Courthouse  
Concord, New Hampshire  
May 6, 1970

The Merrimack County Executive Committee met at 10:00 a.m. to further study the proposed budget for Merrimack County, including all departments. Present were Chairman Reddy, Fuller, Robinson, Cheney, Chase, Greeley, and Commissioners Perkins, Morgan and Ayotte.

Various items were discussed with particular mention that the incinerator in the courthouse would have to be replaced. There is no top on the present one and it was condemned by the fire marshal three years ago. The cost to repair would exceed the price of a new one. The purchase of a new one would add four hundred (\$400.00) to five hundred dollars (\$500.00) to the proposed budget.

Comment was also made about the poor condition of the jury and court rooms, in addition to the exterior of the courthouse.

Chairman Reddy noted that he had discussed with Atty. Arthur Marx of Legislative Services his appointment and executive commit-

tee approval of Rep. Cheney as Vice-Chairman of the delegation to replace Don Welch and found that it must be submitted to the entire delegation for a vote.

Deputy Sheriff Ron Daniels, upon request of the committee, gave an explanation of the Sheriff's department mobile radio system. It was remarked that this was not quite the way it was presented to the Executive Committee last year. However, it would appear that the system has greater expansion than anticipated.

Certain items were held in abeyance until the next Executive Committee meeting at 10:00 a.m., Wednesday, May 13. It is hoped that this meeting will wrap up the budget for presentation to the entire Merrimack County delegation. The meeting adjourned at 11:30 a.m.

Respectfully submitted,  
Lila S. Chase, Clerk

May 13, 1970

The Merrimack County Executive Committee convened at 10:20 a.m. to continue perusal of the proposed county budget. Present were Chairman Reddy, Cheney, Fuller, Robinson, Greeley and Chase.

Fuller moved, seconded by Robinson that \$480 be cut from account #102 for dues to the County Association. It was so voted, leaving a balance of \$260.00 for Outside Services.

Under account #151.1, Salaries—Clerks, \$500 was added for a raise for Mrs. Shepard in the Sheriff's department. This was done on a motion by Cheney, seconded by Robinson and voted unanimously.

\$500 was cut from the Escrow for the Governor's Crime Commission Fund under *Special* by motion of Fuller, seconded by Robinson and so voted. It was felt not much in the way of new programs would be initiated at this time.

Following discussion of New Equipment, account #159, \$400 for new uniforms in the Sheriff's department was deleted with \$100 left intact for four jackets. This was accomplished by vote on a motion by Robinson, seconded by Cheney.

Account #171, Salaries—Medical Referee, was increased to \$5,000. on a motion by Chase, seconded by Fuller and so voted.

Under maintenance of Court House, account #188—Equipment Repairs, \$200 was added to the \$1000 to take care of boiler repairs which had been omitted in setting the figure of \$1,000. This was done on a motion by Fuller, seconded by Cheney and so voted.

Account #188.1—Building Repairs, \$7,000 was added to do the second floor and stair wells in the Courthouse, by motion of Chase, seconded by Cheney and so voted. It was also noted that \$350 in the original sum of \$2,100 for this item was for window shades.

New Equipment—account #189, was increased by \$500 for a new gas incinerator, on motion of Cheney, seconded by Chase and so voted. The remaining \$300 is for a water heater bringing the total for this item to \$800.

Under Superior Court, account #202.5 Sheriffs' and Deputies' Fees for Court Attendant, it was moved by Greeley, seconded by Chase and voted that the \$30,000 be cut by \$3,000 bringing this item down to \$27,000. It is not expected to have the extensive expenses of a case, such as the Debra Horn one, in the coming year.

Donated Foods, account #234 under Public Welfare, was reduced by \$600 on a motion by Robinson, seconded by Greeley and so voted.

Much discussion ensued on salaries for the Public Welfare personnel with the committee noting that Mrs. Osgood's salary took a sizeable jump, yet her duties were lightened by the addition of a Surplus Food man. Comment was also made in regard to the increases requested for the others and going from a 35-hour week to a 37 1/2 hour week. It was the consensus to discuss this further at the next Executive Committee meeting, Monday, May 18, 1970, at 10:00 a.m. The meeting adjourned at 12:02 p.m.

Respectfully submitted,

Merrimack County Courthouse  
May 18, 1970

The Merrimack County Executive Committee met at 10:15 a.m. to continue to examine the county budget. Those present included Chairman Reddy, Fuller, Greeley, Cheney, Robinson and Chase.

Mrs. Osgood of the Public Welfare Department was requested to explain the sizeable increases in salaries under account #221. She

spoke of the increase in hours from a work week of 35 hours to 37 1/2 as part of the increase, plus raises for each. After much deliberation it was voted unanimously on a motion by Chase, seconded by Cheney that the salaries would be \$9,000. for Mrs. Osgood, \$6,000. for Mrs. Blanchard, \$4,600. for the other girl in the County Commissioners' office and \$7,000. for the Surplus Food man, account #221.1. It was noted that under account #221 only half of Mrs. Blanchard's salary is included.

Supt. Lethbridge was requested to give information in regard to certain items such as the work week for county home employees, which is 40 hours; how much the bookkeeper makes, which is \$6,220; how many storm windows remain to be put on, which are those of the inner court and raises for some of the personnel.

On a motion by Chase, seconded by Fuller, it was voted to increase Mr. Cadarette's salary by \$700. (account #511). On a motion by Chase, seconded by Greeley, it was voted to increase Mrs. Jelley's salary by \$700. (Account #511).

On a suggestion by Chairman Reddy, Fuller made a motion, seconded by Chase, to increase Supt. Lethbridge's salary by \$500. It was unanimously voted.

Supt. Lethbridge noted under account #531 it was not a new position, but, in fact, the assistant launderer moving up to launderer and a part time man to help at a reduced salary.

Account #721 includes a salary for part of the year for a consultant pharmacist which will soon be mandatory for an accredited home under Federal law.

The decision of the legal responsibility of two prisoners who escaped from the county jail and injured themselves last year was not made, nor were their bills paid. Thus, \$5000. appears again under account #820 for the delegation to decide. The prisoners were Cox and Fleury.

Under account #917 \$3,500. was not added in for the red barn.

It was the consensus of the Executive Committee that a letter be sent with the budget to the entire delegation in regard to the condition of the Superintendent's Home, for the delegation to decide on the building of a new one.

Fuller requested the record to show that he favors phasing out the farm, as it no longer seems economically or otherwise feasible to maintain it.

The motion to include \$7,000. for the repair of the second floor and stairwells of the courthouse, account #188.1, voted at the pre-

vious executive committee meeting of May 13, 1970, was amended by Cheney, seconded by Robinson and voted to increase the sum to \$8,500., as the estimate received for the job fell in that vicinity.

The next meeting will be for presentation of the budget to the entire delegation June 3, 1970, at 9:30 a.m. at the County Home. (Later, due to conflict on part of some, Chairman Reddy changed the date to June 10, 1970.)

Respectfully submitted,  
Lila Chase, Clerk

June 10, 1970

The Merrimack County Delegation was convened by Chairman Reddy this date at 10:00 a.m. to consider the County Budget. Commissioners Morgan, Perkins and Ayotte, Supt. Lethbridge and his assistant Mrs. Jelley and County Extension Agent Paul Fenton were also in attendance. Thirty members of the delegation present were: Andrews, Bigelow, Storm, Reddy, Enright, Robinson, Avery, Kopperl, Bent, Dempsey, Greeley, Laroche, Mattice, A. Welch, Michels, Cate, York, Henry, Cheney, McLane, Phillips, Smith, Andersen, Fuller, Glavin, Howard, Newell, Chase, Tarr and Hanson.

Following discussion it was moved by Rep. Phillips and seconded by Rep. Cate that "The budget must be mailed to members of the delegation ten days before any delegation meeting." It was so voted. It was noted that the Clerk had requested this to be done on two occasions prior to this meeting.

Commissioner Morgan explained the budget, assisted by Commissioners Perkins and Ayotte, as the delegation went over it by account number. Several questions were raised by members on various items.

Following a request by Commissioner Perkins, Rep. Phillips moved, seconded by Rep. Howard that "Account #149 be increased from \$350. to \$500. to purchase a new electric typewriter." Motion carried.

Several minutes were spent discussing the need of repairing and expanding the courthouse. Commissioner Perkins recommended a committee be appointed to look into it. It was moved by Rep. Phillips, seconded by Rep. Andrews and so voted that "The recommendations of Commissioner Perkins be accepted, the Chairman

appoint a committee to investigate space for future county needs and up to \$7500 be available out of account #188.1 for the study." A second motion by Rep. Newell, seconded by Rep. Cate moved that "The space committee report at least two times to the Executive Committee." It was so voted.

Later on in the proceedings it was moved by Rep. Newell, seconded by Rep. Smith that "The committee studying and planning future space requirements at the Court House and County Farm make a report to the Executive Committee on or before Nov. 1, 1970, and a final report to the delegation on or before Feb. 1, 1971." Motion carried. It was also understood that this committee would look into a new home for the Supt. as soon as possible and before next session.

Merrimack County Delegation Meeting  
Merrimack County Home  
June 10, 1970

Discussion on Jury Payrolls, Acct. #202.1, and the considerable jump from last year resulted in the motion by Rep. Hanson, seconded by Rep. York that "Account #202.1 be cut from \$25,000.00 to \$20,000.00." It was so voted.

In studying account #240, County Extension Service, Rep. Phillips suggested that next year the delegation be given a breakdown in advance to save a lot of questions and time. Mr. Fenton had statements with him which were duly passed out.

Rep. Andersen moved, seconded by Rep. A. Welch that "Items of the budget numbered 101 through 235.4 as listed be approved with the two changes made earlier and totaling \$624,545.40." It was so voted.

Following deliberation of a new home for the Supt., Rep. Andrews moved, seconded by Rep. Hanson that "The amount of \$29,000.00 for a new home for the Superintendent will not be spent until approved by the Executive Committee and voted by the delegation." Motion carried.

Once again the question of payment of the hospital and medical expenses for two prisoners, Cox and Fleury, who escaped from the County jail almost two years ago and injured themselves in a stolen car came up. Rep. Hanson moved, seconded by Rep. Bigelow that "The \$5,000.00 under account #820 for the hospital and medical bills of Mr. Cox and Mr. Fleury be deleted." It was so voted.

Rep. Hanson moved, seconded by Rep. Phillips that "The county budget of \$1,075,845.90 be accepted." The motion carried.

Deducting income, Rep. Andersen moved, seconded by Rep. Cate that "The amount to be raised by taxes is \$887,763.25." It was so passed.

Rep. Bigelow moved, seconded by Rep. Cate and voted that "The amount of \$34,252.59 in surplus funds for the hospital project plus \$843.67 in interest income be returned to the general fund."

Rep. Hanson took a moment to praise all those involved in preparing the budget, saying this was the lowest increase (about 3%) he had ever known.

One further piece of business was concluded by Rep. Andersen moved, Rep. Glavin seconded and the delegation voting that "The Chairman's appointment of Rep. Cheney as Vice-Chairman of the Merrimack County Delegation is ratified."

The meeting adjourned for lunch at 1:35 p.m.

Respectfully submitted,

Merrimack County Home  
September 11, 1970

The Merrimack County Executive Committee met at 10:00 a.m. to discuss the Space Study Committee's report in regard to a new home for the Administrator (Superintendent). Those present included Chairman Reddy, Chase, Cheney, Fuller, Robinson, Greeley, Commissioner Perkins, Supt. Lethbridge and Space Committee members Dick Hanson, Chairman, Sue McLane and George Kopperl.

Mr. Hanson reported that his committee had discussed a mobile-type home and the one which was submitted to the Executive Committee, of a permanent nature. This house would be situated on a knoll across from the County Home going toward Concord. He further stated his committee had not discussed what to do with the existing house nor the adjacent farm and land as the committee felt it was charged at this point to see about a new home only.

The needs of the courthouse were also discussed, but Chairman Reddy reminded the group we were there solely for the purpose of deciding what to recommend to the general delegation for a new home for the Superintendent in the amount of \$29,500. It was decided

the subject of the Courthouse needs would be taken up by the Space Study Committee on Thursday, Sept. 17, at 9:30 a.m. at the Courthouse.

Chase moved, seconded by Robinson and unanimously voted that the Space Study Committee's recommendation for the Administrator's house be approved and presented to the entire delegation at the meeting Sept. 16, 1970, at 10:00 a.m. in the Merrimack County Home.

Robinson moved, seconded by Fuller and so voted that the meeting adjourn at 11:40 a.m.

Respectfully submitted,  
Lila S. Chase, Clerk

Merrimack County Home  
September 16, 1970

Chairman Reddy called the meeting to order at 10:05 a.m. and explained the purpose of the meeting. Roll call showed those in attendance were: Storm, Gile, Reddy, Hanson, Enright, Robinson, Avery, Kopperl, Dempsey, Greeley, Laroche, Mattice, Michels, York, Davis, Cheney, McLane, Phillips, Horan, Smith, Howland, Fuller, Glavin, Howard, Newell, Chase, and Welch. A quorum being present, the Chairman read the minutes of the Delegation meeting on June 10, 1970, in which the Chairman was authorized to appoint a Space Committee to study the needs of the County and a home for the Superintendent in the amount of \$29,000.00—such sum not to be expended until approved by the Executive Committee and voted by the entire delegation.

Chairman of the Space Study Committee Dick Hanson presented his report and a copy of the plan, Design 1050, which his committee recommended for delegation approval. Rep. Hanson moved, seconded by Rep. Avery that "The delegation accept the Space Study Committee's report with its recommendations." Considerable discussion ensued in regard to hidden costs, bids, specifications, who would supervise the construction and the needs of the Courthouse. When put to a vote, the motion failed to pass with 11 yeas and 15 nays, Chairman Reddy not voting.

The consensus appeared to be that there was no objection to the \$29,000. for the Home, but more information and details were needed. Also, the Courthouse's inadequacy was of great concern and

should be considered. Rep. Michels moved, seconded by Rep. Phillips that "The money (\$29,000.) be held aside and not lapsed and the house plans be recommitted for further study included with all County space needs and reported back to the delegation." It was so voted. Chairman Hanson then announced the Space Committee would meet the following morning Sept. 17, 1970, at 9:30 a.m. at the Courthouse and all members of the delegation were invited to attend.

In addition to those members of the delegation present, the three County Commissioners, County Treasurer Foster, Supt. Lethbridge, Mr. Cadarette and Concord Monitor Reporter Dana Sullivan were also in attendance.

Rep. McLane moved, seconded by Rep. Michels that we adjourn at 11:40 a.m. It was so voted.

Respectfully submitted,

October 28, 1970

Chairman Reddy called the meeting to order at 10:17 a.m. to discuss the bids for the Superintendent's home, as a result of the County Space Committee study. Those present, in addition to the Chairman, included Commissioners Perkins and Ayotte, Treasurer Foster, Supt. Lethbridge, Fuller, Robinson, Cheney, Greeley and Chase.

Chairman Reddy turned the meeting over to Commissioner Perkins to explain the bid of Wesley B. Woodward & Son, Inc., of New London, which was the only one received that fell within the appropriation of \$29,000. Although their original bid was in the amount of \$29,252.00, by deleting the third zone heating and insulation in the basement (\$500), as well as the seven storm windows (\$98) there, the amount was brought down to \$28,679.00. Treasurer Foster said he felt the contractor would do a good job and it was a good price for what we were getting. He further suggested costs were continuing to go up about 10% and by next spring the same house might well be \$2,000 more.

Commissioner Perkins said he and Treasurer Foster had talked with Mr. Moreland of Woodward & Son and had tied down the items for the driveway, septic tank, and drainage field as part of the contract price so there would be no overages for the County to pay later. He further said he and Commissioner Morgan went along the directive of the delegation. Commissioner Ayotte stated he still felt the County did not need to build that big a house for the Superintendent, but he had no quarrel with the bid price for what was in the house plan. He also repeated his concern for the water at the Nursing Home.

Supt. Lethbridge reported the Boscawen Water Dept. estimated it would cost \$28,000 to extend the water system approximately 8/10's of a mile to the Home, but we would be given five years of free water. Commissioner Ayotte said he thought Boscawen could be persuaded to make that eight or nine years. Chairman Reddy mentioned that two years ago Boscawen had said it would cost \$58,000. It was the consensus that we should hold out for free water until the cost of installation was used up.

Discussion over the Holmes property and the present Supt's home ensued. No action was taken pending the delegation's vote next week in regard to the Superintendent's new house.

Since no vote was necessary on the part of the Executive Committee, it was agreed that the bid and plan would be submitted for a vote at the Delegation meeting Nov. 4, 1970, at the Merrimack County Home at 9:30 a.m.

The meeting adjourned at 11:42 a.m.

Respectfully submitted,

November 4, 1970

Vice-Chairman Cheney called the meeting to order at 10:05 a.m. in the absence of Chairman Reddy. Those members answering the roll call were: Andrews, Bigelow, Storm, Gile, Hanson, Enright, Robinson, Bartlett, Avery, Kopperl, Burleigh, Dempsey, Greeley, Laroche, Mattice, York, Davis, Henry, Cheney, McLane, Phillips, Horan, Howland, Fuller, Howard, Newell, Chase, Welch (Shirley), and Tarr. There being 29 who answered to the roll call, a quorum was declared present. In addition to those of the delegation, present

were the three Commissioners, Supt. Lethbridge and Treas. Foster.

Vice-Chairman Cheney turned the meeting over to Rep. Hanson, Chairman of the Space Study Committee who explained the bid of Wesley B. Woodward & Son, Inc. of New London, the only one to fall near the \$29,000. set aside for the Superintendent's house last spring. By eliminating the heat, insulation and storm windows in the basement the cost to build the accepted plan would be \$28,679.

Supt. Lethbridge told the delegation that eighteen contractors were contacted in addition to the public notice in three area newspapers. Three firms bid, but the Woodward one was the only one within reason.

Commissioner Perkins and Treasurer Foster explained the sound financial status of Woodward Co. and the tying down of water and sewerage costs. In answer to a question, they said the standard contract of the American Institute of Architects was followed.

A concern was expressed that everything had been done very rapidly. In answer, it was pointed out that this same house would probably cost \$2,000 more in the spring, so it should be started now.

Rep. Hanson moved, seconded by Rep. Phillips that "We vote in favor of authorizing the County Commissioners to spend \$28,679.00 for the purpose of constructing a Superintendent's home." Following more discussion, Rep. Newell asked for a rollcall vote, seconded by Rep. Andrews. Those voting in favor of the motion were: Bigelow, Storm, Gile, Hanson, Enright, Robinson, Avery, Kopperl, Henry, McLane, Phillips, Howard, Chase, Welch and Tarr. Rep. Chase's vote was challenged by Newell and Davis (on the basis of her residing in Ward 2 rather than Ward 8 which she was elected to represent) Vice Chairman Cheney ruled it would not be counted. Rep. Chase said she would fight the ruling, if her vote was needed. It was not, as those opposed numbered thirteen, to the fourteen who approved, with Cheney abstaining. Those voting no were: Andrews, Bartlett, Burleigh, Dempsey, Greeley, Laroche, Mattice, York, Davis, Horan, Howland, Fuller and Newell.

Merrimack County Home

Commissioner Ayotte wished it noted that he was opposed to building that good a house. He was concerned about poor water at the Home.

In regard to overseeing the construction, Treasurer Foster said he would keep a check on it.

A discussion of the water system revealed the latest cost of installation figure was \$28,000.—considerably less than the approximate \$60,000. estimated two years ago—with five years of free water.

The needs of the courthouse were briefly discussed, also the use of the present Superintendent's house.

The meeting adjourned at 11:12 a.m. on motion of Rep. Gile, seconded by Rep. Andrews and so voted.

Respectfully submitted,

Merrimack County Courthouse  
December 10, 1970

Vice Chairman Charles Cheney, Sr. called the meeting to order at 10:05 a.m. to discuss the financial picture of the Merrimack County Budget at this time. Those present were: Cheney, Fuller, Robinson, Greeley, Chase and Reddy. Commissioners Perkins and Morgan, Commissioner-Elect Peter Spaulding and Treasurer Robert Foster were also on hand.

The first item taken up was the increase in the insurance premium as a result of increasing the coverage on the Courthouse from \$75,000 to \$250,000 and on the furnishings from \$25,000 to \$75,000. Under the new policy the premium rose to \$1,724 from the previous \$500 allotted in the budget. This is a three-year policy paid annually.

Various possibilities of transferring funds from one account to another, such as the Building Repairs account #188.1 which includes \$8,500 for the Space Study Committee and of which only \$56 has been used thus far, resulted in a motion that "The Commissioners be authorized to transfer such funds as they deem necessary, including earmarked funds, so long as they do not exceed the total budget appropriation." This was moved by Reddy, seconded by Fuller and voted unanimously with Chase abstaining on the basis of her vote being challenged.

Other accounts were mentioned as being above the budgeted amount, such as Employees Social Security, #116 and Employees Retirement, #117, \$3500 and \$1100 respectively more. It was also noted that the Clerk of the Court had indicated Superior Court would probably run over about \$15,000. due to jury, referees and masters fees.

Next item for action was the need of Treas. Foster to have some money to pay the bills for the month of January 1971 as there was no cushion left in the 1970 budget and it would be February before the 1971 budget funds were properly available. Robinson moved, seconded by Greeley and unanimously voted with Chase abstaining that "The County Commissioners and Treasurer be authorized to borrow a sum not to exceed \$75,000 pursuant to RSA 29:8 as amended."

The meeting adjourned at 12:35 p.m.

Respectfully submitted,  
Lila S. Chase, Clerk

## REPORT OF THE COUNTY COMMISSIONERS

---

To the Citizens of Merrimack County:

In accordance with the Revised Statutes Annotated, as amended, the Board of Merrimack County Commissioners herewith submit the annual report of the Commissioners along with the Treasurer, Superintendent of the County Home and House of Correction, Farm Physician, Clerk of Superior Court, County Attorney, Chaplains, Sheriff, Auditors and County Extension Service for the year ending December 31, 1970.

The activity of each department is reported in detail in this report. The persons in charge of these departments will furnish any further detailed information desired by an interested taxpayer.

Since the expansion of our donated foods program at the Court House the number of persons served in January, 1970 was 1501 and as of December 31, 1970 the number increased to 2598 or a total increase of 1097 persons for the year. This increase was due to the relaxation of the Federal government's eligibility requirements and the program became more widely known through all phases of government.

A space committee was appointed by the Chairman of the County Delegation to study and plan future space requirements at the Court House and County Farm.

Upon approval of the Delegation a new home for the superintendent of the County Home was built this year.

We wish to extend to our entire county organization our deepest thanks for their loyalty and devotion during the past year. To the Merrimack County Delegation for their aid and confidence, and to the many volunteer people and organizations who give so generously of their time so that the people in our County Home may be a little happier.

Asa H. Morgan, Chairman  
Raymond K. Perkins, Clerk  
Albert M. Ayotte

Board of County Commissioners  
Merrimack County  
Concord, New Hampshire  
Gentlemen:

We have examined the Balance Sheet of Merrimack County as at December 31, 1970 and the related Statements of Revenue and Expenses for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In accordance with the accounting practices followed by municipalities, the accounts are kept on a modified accrual basis under which the more important revenue and expenses are accrued, except interest on outstanding indebtedness, which is payable together with the matured from appropriations of the following year. Expenditures for property, plant and equipment are expensed in the year of purchase.

In our opinion, the accompanying Balance Sheet and related Statements of Revenue and Expenses present fairly the position of Merrimack County as at December 31, 1970 and its operations for the year then ended in conformity with generally accepted accounting principles for municipalities applied on a consistent basis.

Respectfully submitted,  
John E. Rich & Company

### REPORT OF COUNTY ATTORNEY

Many felony cases were disposed of by the office of the County Attorney during the period of January 1, 1970 and December 31, 1970, in Superior Court. The total number would be meaningless and in no way reflect the activity of the office.

In addition, numerous misdemeanors, including non-support cases, were handled in various district and Municipal Courts throughout the Country.

Many reciprocal support petitions were handled as initiating State and Receiving State.

Several matters were referred to the Sheriff's Department for investigation and disposition.

Respectfully submitted,  
Henry Dowst, Jr.,  
County Attorney

#### To the County Commissioners

The federal regulation which required nursing home administrators to possess a license issued by the state in which they practiced resulted in many hours being spent in preparation for the examination. In fact, if one were to categorize this year in one word, that word would be preparing.

The Nursing Service prepared itself for better patient care. Several Nurses Aide training programs were run with our instructors, Mrs. Rachel Francis, R. N. and Miss Rose Smith, R. N. doing an excellent job in this area.

The Dietary Department prepared itself for new innovations in food preparedness and presentation. The Home hosted two dietary workshops and continues to research better methods of food presentation.

The Housekeeping and Maintenance Departments prepared new rooms and new areas for patient enjoyment. Particularly noteworthy is the new sunporch on South Wing I.

The Laundry prepared itself for the reception of a new heavy-duty commercial machine which led to greater economy and efficiency.

While it is not fair to say the farm prepared itself, the preparedness of the farm, under Mr. Lester Tibbetts, Assistant Superintendent, resulted in a banner year, results of which can be found elsewhere in this report.

The Jail continued to prepare for the counseling program by completing the planning stage of this program.

Several notable changes took place in the Jail under the able leadership of Edmund Cox who was appointed January 16, 1970. Notable among these was the installation of a three-captain, 24-hour a day supervision system and a rehabilitation program covering several nights of each week.

The Superintendent's residence was begun early in November with completion scheduled for late January. Other additions have been looked into and a plan prepared for presentation to the County Building Committee upon their request.

Once again we must thank several people for outstanding programs throughout the year—namely our Auxiliary for their monthly Birthday Parties, Bessie Gray and the committee from the Business and Professional Woman's Club for the most outstanding Christmas Party of the 33 they have presented, and finally to the Assistant Administrator, Mrs. Mary E. Jelley, R. N. and Dr. J. Kenneth McLeod must go a special commendation for the long hours spent with and for the patients of this Home. Their efforts are little seen and not often noted except by those who are the recipients of their love and devotion.

So to you, as Commissioners and to the taxpayers of this county, a pledge that we will continue to prepare ourselves to meet the needs of our patients.

Respectfully submitted,  
Robert F. Lethbridge  
Administrator

## REPORT OF THE MERRIMACK COUNTY HOME AUXILIARY

At present there are thirty-four regular members of the Auxiliary, and three contributing members. Ten of these members were added to our rolls this year. The towns represented are; Andover, Boscawen, Concord, Elkins, Franklin, New London, Penacook and Salisbury.

The Auxiliary has established a regular format of two programs each month. The birthday party on the second Wednesday with cakes and entertainment, and another special program on the last Wednesday of each month. We wish at this time to express our thanks to the many groups from churches and granges in this area for their assistance with these programs.

The Auxiliary has purchased for the Home, a heavy duty two speed pedestal fan, used in the hot weather in the recreation room. A piano was also provided for the recreation room, and put in excellent order thru the efforts of the Auxiliary. They also purchased a portable T.V. Set with stand for the Merrimack County House of Correction and Jail. All of these items were possible because of the success of our booth at the Hopkinton Fair.

We were also able to hold our Fourth Annual Christmas Department Store for the residents of the home. What a pleasure it was to help them with their Christmas Shopping! The stores and merchants of the surrounding towns helped to make this project possible, and we extend our appreciation to them.

On special holidays, tray favors and dining room centerpieces have been prepared, and during the warmer weather, flowers are distributed to every room in the Hospital and Home.

A special citation was awarded to a faithful Auxiliary member this year. Mrs. Eva Waugh of East Concord was charter member and faithfully served in the formation and organization of the Auxiliary as the Treasurer. This position was held for over nine years. Upon her retirement as Treasurer, the Auxiliary awarded Mrs. Waugh a life membership and certificate of appreciation for her service, signed by the Commissioners of Merrimack County. Unable to attend our meetings, she is greatly missed.

Our most important job is our visitation. Every patient in the home is personally visited by an Auxiliary member each week. We look forward to these visits and the personal contact we have with the residents, and feel this to be the primary function of the Auxiliary member.

Respectfully submitted,  
Helen Clark, President

## CATHOLIC CHAPLAIN'S REPORT

Dear Mr. Lethbridge:

Once again, it is a pleasure to give our annual report on the work of the priests of St. Paul's Parish among the Catholic patients in the Merrimack County Nursing Home and Hospital.

During 1970, Father Bisson, Fr. Monaghan and myself offered Mass every month. As many as 60 patients attended these Masses. Confessions and Holy Communion were administered to all the Catholic bed patients.

On special occasions the Sisters of Mercy and the Holy Cross nuns accompanied us, and the patients participated in congregational singing. Christmas gifts were distributed at Christmas Mass. Valentines on St. Valentine's Day, etc.

It is a real joy to visit M. C. N. H. We are deeply impressed with the sincere devotion all your staff and personnel have for the sick and the aged. The response of gratitude from these poor people is reward in itself for whatever sacrifice we make on their behalf.

Devotedly in Christ,  
Fr. John E. Pitts,  
Pastor

1970 REPORT OF CHAPLAIN OF MERRIMACK  
COUNTY HOME

Services have been held at the Merrimack County Home, Boscawen, N. H. every Sunday throughout the year. The first Sunday of the month the sacrament of Holy Communion is observed, and whenever possible administered on the wards.

The Chaplain has conducted services twice each month which is his duty. Beyond this, he has arranged for ministers in the vicinity to fill the other Sundays of the month. He is grateful to the following men or women who served last year:

Rev. H. Franklin Parker, Chichester  
Rev. John Dame, Webster  
Rev. James Quimby, Franklin Meth.  
Rev. Edison Grant, Concord Nazarene  
Capt. Leroy Lyle, Salvation Army

Rev. David B. Howe, United Baptist  
Rev. John I. Johnson, West Cong.  
Rev. Donovan Diffendorfer, Hill Bapt.  
Rev. Ronald Dieter, Cong., UCC  
Rev. Kenneth Boyle, Con., UCC  
Rev. Thomas Campbell, Cong. UCC  
Rev. Sumner Grant, Baptist  
Rev. William Medlock, Warner United  
Rev. Walter Holder, 1st Baptist, Con.  
Rev. Elsie Dame, Webster  
Rev. Theodore Hadley, Cong.  
Rev. Theodore Ball, Cong.  
Rev. Emmanuel Alojipan, Methodist  
Rev. Lloyd Overby, Church of Christ  
Rev. David Frost, Contoocook Baptist  
Rev. Stephan Garvey, Hopkinton  
Rev. Robert Mears, Baptist Conservative  
Rev. Arthur Foye, Baptist Convention  
Rev. Dr. John McKelvey, Methodist  
Rev. David Andrews, Canterbury, Comm.

Everyone seems pleased with our new chapel. It may become a little crowded at times, especially when visiting ministers bring their choirs; but it is a welcome relief these days to find a place of worship filled. It is hoped that in the not too distant future an organ or piano, suitable in size for the room will be made available.

Respectfully,  
Oliver C. Northcott  
Minister, United Church of Penacook.
